

Run by and for LGBT+ parents/carers, their children and those considering parenthood living in Greater Manchester.

Board of Directors Vacancies

Could you....

- Think strategically about the long-term direction of Proud 2 b Parents?
- Listen to other's views and contribute your own to help reach decisions collectively?
- Promote Proud 2 b Parents and help grow the organisation's profile?
- Support and collaborate with Proud 2 b Parents staff and volunteers?

If so, why not join the Proud 2 B Parents Board of Directors?

As a community interest company Proud 2 b Parents has a Board of Directors who are responsible for driving the strategic direction of the organisation and ensuring we meet our financial and legal obligations.

We are looking for new, energetic and committed individuals to join our Board of Directors. You would be joining at an exciting and critical time as we drive the organisation to develop new funding sources and become self-sustainable long term. We are particularly keen to hear from anyone with financial, company law or grant funding expertise although we have several opportunities so would love to hear from you regardless of your experience or background.

As a board member you will be expected to attend four board meetings per year.

These meetings are held online on a weekday evening (apart from the AGM which is held in Manchester on a weekend). Board members are also encouraged to participate in the life of the organisation through supporting event delivery and acting in an ambassadorial role for Proud 2 b Parents where possible. Director roles are unpaid positions although reasonable out of pocket expenses will be paid.

If you are interested in these roles and would like an informal chat with the Chair of the Board of Directors, Catherine Treagus-Mullan, before submitting an application, she can be contacted at ctreagus@hotmail.com or by telephone on 07946633111.

Applicants should email expressions of interest to the Chair with a brief summary of why they are interested in joining the board and any skills or expertise they could bring to the board.

This is an ongoing opportunity so there is no deadline to apply.
