MID WEEK MEET UP

Our friendly mid week meet-ups run for those families off in the week, specifically aimed at pre-schoolers. We meet regularly at various locations and venues across Greater Manchester.

These meets ups aim to bring families together to experience new activities and provides time to get to know each other.

A Proud 2 b Parents group for LGBT+ Single parents/carers and/or Co-parents

Our newest service 'Proud' is for our single parent/carer or co-parenting families. Proud is a private Facebook group and offers opportunities to connect, share experiences within a friendly social group and where members can arrange their own meet ups.

MONTHLY GET TOGETHER

Our monthly get together is usually held 1-3pm on the fourth Sunday of the month. We have exclusive use of a soft play centre for the children to let loose and we always have arts and crafts available too. These meet ups help bring LGBT+ people from similar family backgrounds together so that parents and carers can grab a brew and catch up whilst the kids enjoy the activities on offer. We also have four special events throughout the year.

Proud 2 b Parents youth group for young people over 8 years old.

Our monthly youth group for children of LGBT+ parents / carers aged 8 years old and over. The group offers a wide range of activities (craft, discussion, food, trips out etc.) and a social space for young people to meet others from similar family set ups. We know it is especially important for older children to have space to chat and get support as they move through school transitions and into their teenage years. This group provides fun opportunities and space to discuss the things that matter to them.
